Dayton Consolidated School is looking for volunteers to serve in our school library. The primary roles of these volunteers will be to work along side our librarian to organize, catalog and shelve books. Hours are flexible.

All volunteers will meet with the Mrs. Sampietro, Principal, as well as receive a background check prior to beginning work.

There will be an informational meeting for anyone interested on **Tuesday, April 14<sup>th</sup> @9** a.m. in the school library. We hope to see you there.

Sincerely,

Kim Sampietreo
